

Dear Guest Students

Every autumn Student Mobility organises an International Day to inform our HSG students about international study opportunities.

This large, very popular event is the perfect opportunity to introduce your home university, your country and your culture to those students of our university who are interested in an exchange semester or an internship abroad. The contributions of our guest students are the most important part for the success of this event.

**This year International Day will be held on Thursday, 30 September from 11.30-13.30.**

Participants will be provided with a table, two chairs and a pinboard so that posters and flags from your home university can be displayed in the background. With your imagination you can create an interesting and fun stand for our students to visit.

If you are interested in participating, please fill in the details below and send a screen print of your registration to: [exchange@unisg.ch](mailto:exchange@unisg.ch)

**Registration for the 2021 International Day:**

Country	Home University	Last Name	First Name

We are looking forward to a colourful and lively event and hope that many of you will be able to join us!

*Your Student Mobility Team*
